REMARKS

DDA 83-4793

We accept your offer to review the film and see if any other office may be interested in it and also to coordinate with OCR to see if they might like to have it for their library. If no one is interested, pls return it with thanks to NSA. Also, pls let me know what eventually is done with the film--we have no record of the 1982 version and would like to keep a record for audit purposes. Thanks.
